

BERTINI O'DONNELL & HAMMER, PC

March 2010 Newsletter

Lisa O'Donnell met with several state legislators in Richmond, on January 27, 2010, to discuss issues of importance to our clients. Lisa has been actively involved in legislative matters for many years, and has participated in drafting legislation, as well as working with legislators to better understand why a particular bill might or might not be helpful to the citizens of Virginia. This year, Lisa has been involved in legislation that would require insurance companies to disclose policy limits in cases of wrongful death from an automobile collision. She is working to promote legislation that would require an insurance company which declines to participate in or allow a settlement of a case to bear the cost of defending that case. Finally, she opposed a bill that would have created secrecy surrounding an adverse event in a medical setting, thus preventing injured people or their families from obtaining necessary documents that might support their claim.

Lisa Bertini, Lisa O'Donnell and Amberley Hammer have each been selected for inclusion in *SuperLawyers™ Magazine* 2010 listing. This designation is based on peer recognition and professional achievement.

Lisa Bertini was nominated for "Best Lawyers" in Labor & Employment Law for 2010. *Best Lawyers in America* is based entirely on peer review.

Lisa O'Donnell has been named one of the *Best Lawyers in America* since 2007.
